

ECITB CCNSG National Safety Passport (Renewal)

Taking place over a single day, this training course is a refresher for those who already hold a valid CCNSG Safety Passport.

The CCNSG National Safety Passport is a health and safety qualification specifically designed for those who work on-site within the engineering construction industry. Every member of personnel who works on-site should hold one of these passport qualifications to prove their commitment to health and safety and to ensure you work safely around others.

Who is the Course Suitable For?

It is essential that you already own a valid Safety Passport which has either not expired, or expired under 3 months ago. Those without a valid Passport must instead take the full course.

What's Covered in the Course?

Over the course of a single day, you'll learn about all of the following subjects:

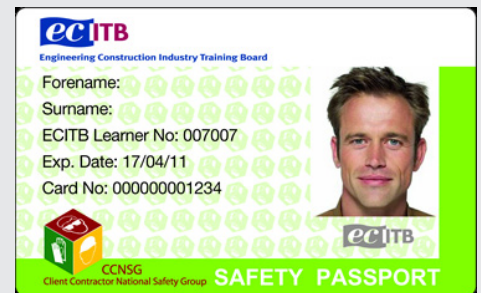

- > The Impact of An Accident
- > The Importance of Safe Behaviour
- > Legal Framework
- > POWRA
- > PTW
- > Good Practice
- > Environment
- > Reporting/RIDDOR

Did You Know?

You can only take this course if you currently hold the CCNSG Safety Passport/or it is within three months of its expiration date.

1 Day Course

Price: £75+VAT (per person)

Course Code: CCNSGSPR
