

# City & Guilds 2391-52

Level 3 Award in Inspection & Testing (Combined 2391-50 & 2391-51)

This electrical training course combines together the City and Guilds 2391-50 Level 3 Award in Initial Verification and the City and Guilds 2391-51 Level 3 Award in Periodic Inspection to deliver a comprehensive programme covering both disciplines.

With this qualification, you'll gain the skills and preparation needed for initial verification and period inspection (and associated testing) of electrical installation work

## Who is the Course Suitable For?

This course is recommended for practising electricians who are yet to perform initial inspection on electrical installations, or those with previous experience in this field looking for an update on their previous training.

## What is Covered in the Course?

During the City and Guilds Inspection and Testing course you will be working in both a classroom environment and also gain hands-on, practical experience with our in-house, purpose-built electrical installation training bays.

Our tutors will guide you through all aspects of inspection and testing ranging from basic health and safety to actually performing testing using different types of test equipment. As our groups are kept as small as possible, you can expect plenty of hands-on tuition from our training team and can always rely on PASS delivering quality training at all time

This course aims to teach you to:

- Understand the requirements for inspection and testing
- Understand safety management procedures when undertaking inspection and testing
- Understand the requirements for the inspection of electrical installations
- Understand the requirements for testing electrical installations
- Perform inspection and testing of electrical installations

## Did You Know?

Both of the courses covered in this combined course are also available separately. Please see the website for more information.

## 5 Day Course

**Price:** £695+VAT (per person)

**Course Code:** CG2391-52

**Locations:** Stockton, Watford (London)

City & Guilds Accredited Centre

City & Guilds are represented in over 100 countries worldwide as a vocational awarding body for qualifications.

# City & Guilds 2391-52

Level 3 Award in Inspection & Testing

## 5 Day Course

**Price:** £695+VAT (per person)

**Locations:** Stockton, Watford (London)

### What Assessments Are There?

This course includes a multiple choice examination (40 questions - 80 minutes), a short answer test (1 hour) and a practical test (2 hours).

### Are There Any Entry Requirements?

There are no prior qualifications required to attend this course. We do recommend that those interested in this course have basic knowledge and understanding of electrical science and/or principles/experience of electrical installation work.

### What Are The Reading Requirements?

We recommend purchasing a copy of the IET Wiring Regulations and IET Guidance Note 3 for use on the course. Both books can be used during the course and during the open book examinations.

### Final Thought

If you are interested in this course and would like to find out more about the content, other courses on offer or would like to find out more information about PASS itself and the facilities available to you, contact the training centre where an advisor will be happy to answer all your questions.

**Don't forget:** lunch is provided on all our courses along with Coffee, Tea and Juice.
