

Senior Authorised Person - Safe Operation of High Voltage Power Systems (SAP)

Learn how to safely complete high voltage switching operations with this training course.

Who is the Course Suitable For?

Made for electrical and mechanical personnel with a general understanding of high voltage power networks, who will ultimately be responsible for operating as a senior authorised person tasked with switching and issuance of safety documents (e.g. high voltage electrical permits to work).

What's Covered in the Course?

This course aims to improve your understanding of high voltage power systems including statutory regulations and safe operation. It also enables you to perform HV switching operations and prepares you for HV authorisation in accordance with your companies' safety rules and regulations.

The following is covered as part of this course:

- Electricity at Work Regulations 1989
- Electrical Hazards and Precautions
- Arrangement of High Voltage Systems
- Operational and Safety Features of Switchgear
- High Voltage Safety Rules
- Issue and Control of Safety Documentation
- Safety Lockout Procedures (Key Safes/Multihaspas)
- The Role of Protection Relays
- Emergency Conditions
- Practical Exercises (3-switching/safety documents/switching programmes)
- Fault Incidents
- Case Studies
- Course Review

Senior Authorised Person - Safe Operation of HV Power Systems (SAP)

5 Day Course

Price: £1250.00+VAT (including assessment costs) - per person

Location: Stockton

What Assessments Are There?

You will take part in both a written and practical examination during this course.

Are There Any Entry Requirements?

You should have general understanding of high voltage power networks, and be responsible for switching/issuing safety documents.

Anyone attending training should also have a good level of both spoken and written English.

Are There Any Reading Materials Required?

There are no peripheral reading materials required for this course.

What Certification Will I Receive from This Course?

You will receive a certificate of competency after successful completion of this course.

For candidates who decide not to undertake the assessments or are unsuccessful when taking the assessments, you will receive a certificate of attendance instead.

Additional Information

If you are interested in this course and would like to find out more about the content, other courses on offer or would like to find out more information about PASS itself and the facilities available to you, contact the training centre where an advisor will be happy to answer all your questions.

Don't forget: lunch is provided on all our courses along with coffee, tea and juice.
