

High Voltage Sanction for Test Receipt Authorisation

This course is designed to enable those who are required to carry out testing on high voltage equipment to become authorised to receive sanction for test documents relating to safe practices and legislation applicable to high voltage power systems up to - and including - 15kV.

Who is the Course Suitable For?

Personnel with prior knowledge of the inspection, operation, maintenance and repair of high voltage electrical power systems who are to be responsible - as a senior authorised person - for electrically testing systems following the receipt of sanction for test documents.

What's Covered in the Course?

Through a mix of theory and practical exercises, you will be provided with training to gain the skill level required to receive sanction for test documents.

The following is covered as part of this course:

- Hazards Associated with Testing
- Review of Statutory Regulations
- Operational and Safety Features of Switchgear
- Safety Lockout Procedures
- Case Studies Associated with Testing
- Operational Procedures
- Proving Dead/Discharging
- Safety of Operations During Testing
- Practical Exercises

High Voltage Sanction for Test Receipt Authorisation

3 Day Course

Price: £699.00+VAT (including assessment costs) - per person

Location: Stockton

What Assessments Are There?

You will take part in both a written and practical examination during this course.

Are There Any Entry Requirements?

You should have prior knowledge of the inspection, operation, maintenance and repair of high voltage electrical power systems.

Anyone attending training should also have a good level of both spoken and written English.

Are There Any Reading Materials Required?

There are no peripheral reading materials required for this course.

What Certification Will I Receive from This Course?

You will receive a certificate of competency after successful completion of this course.

For candidates who decide not to undertake the assessments or are unsuccessful when taking the assessments, you will receive a certificate of attendance instead.

Additional Information

If you are interested in this course and would like to find out more about the content, other courses on offer or would like to find out more information about PASS itself and the facilities available to you, contact the training centre where an advisor will be happy to answer all your questions.

Don't forget: lunch is provided on all our courses along with coffee, tea and juice.
